

# 2023 SPONSORSHIP INFORMATION

Support the growth of Canada's national summer sport in the Bay of Quinte region

Dear valued business owner,

We are the Quinte Bayhawks Minor Lacrosse Association, a non-profit organization providing youth in the Quinte region the opportunity to learn and play the game of lacrosse, recognized as Canada's National Summer Sport, in support of a healthy and active lifestyle. Our organization has established a local recreational league that includes youth from across the Quinte region with a focus on teamwork, sportsmanship, and fun, as well as a competitive development program to provide more opportunity for those interested in pursuing a high level of skill and excellence.

We would like to offer an opportunity to local businesses to sponsor our organization and teams and help us provide an affordable program for everyone. Allowing us the ability to obtain equipment and jerseys, to offset the rising costs of facility rental, and to reward our players for their effort and commitment are just a few ways that your contributions can help the youth in Quinte stay active and enjoy the sport of lacrosse.

Our organization is guided by a small team of volunteers that run the day-to-day operations and provide high level coaching and training for both recreational and competitive programs. Their dedication to growing our great sport in Quinte along with your generosity will go a long way in helping us keep registration fees affordable and keep more kids on the floor.

Kindly, take a moment to review our attached sponsorship offers and contact us to see how you can help.

Yours in Lacrosse,

Joe Fee  
QMLA President
