

# 2025 SPONSORSHIP INFORMATION

Support the growth of Canada's national summer sport in the Bay of Quinte region

Dear prospective QMLA sponsor,

We are the Quinte Bayhawks Minor Lacrosse Association, a non-profit organization providing youth in the Quinte region the opportunity to learn and play the game of lacrosse, recognized as Canada's National Summer Sport, in support of a healthy and active lifestyle. Our organization has established a local recreational league that includes youth from across the Quinte region with a focus on teamwork, sportsmanship, and fun, as well as a competitive development program to provide more opportunity for those interested in pursuing a high level of skill and excellence. Much like you and your business, we take a lot of pride in our community and being active partners to bring recognition and honour to our hometown.

Our association is run by an enthusiastic and committed group of volunteer parents and some non-parent coaches who strive for excellence. Our goal is to ensure that the players have fun while they learn and develop their skills. We're looking for partners to help ensure that our players have the best protective equipment, increased training opportunities, and reduce the financial impact on our membership's families.

We would like to offer an opportunity to local businesses to sponsor our organization and teams and help us provide an affordable program for everyone. Allowing us the ability to obtain equipment and jerseys, to offset the rising costs of facility rental, and to reward our players for their effort and commitment are just a few ways that your contributions can help the youth in Quinte stay active and enjoy the sport of lacrosse. Sponsor names and/or logos along with links to your business will appear on our association website <https://quintelacrosse.com> throughout the 2025 lacrosse season. We will also promote our partnership with your business through our social media channels to help engage our lacrosse families with your services and products.

The QMLA has varying levels of sponsorship options for the 2025 season starting from \$500.00. Please reach out to the email address below and we'll discuss what level of sponsorship is best for your business.

Thank you in advance for your generous support of the Quinte Minor Lacrosse Association.

Yours in Lacrosse,

Joe Fee  
QMLA President
